# Hard Fill Tools

## Burn-In Knife, Battery Operated

The Battery Operated Burn-In Knife is a convenient, portable and safe alternative to other hot knife tools available. This tool will melt the Hard Fill and Hard Fill Plus without a cord or a flame. Each unit will be packed with a pointed and a flat tip, batteries included. This portable soldering iron requires 3 x 1.5V AA batteries.

Product number: M900-3400

## Hard Fill Levelling Tool

The Grater comes complete with the Hard Fill Scraper and is designed with two different grating surfaces and edges.

Product number: M999-9990

## Finish & Filler Scraper

Scraper – The Scraper has four edges designed for scraping a finish or a filler.

Product number: M999-9995
